March- 2010 Newsletter

## Parents Appreciation Day

First of all we would like to start off by saying thanks to all the members and parents who showed up to PAD setup and on the night of PAD to help out. For those of you that do not know what PAD is, it is a night where all the youth members make and serve food to their parents. It is followed by a program with musical performances and dance performances.

This year we were fortunate to have so many new kids to help out and perform. We had kids ranging from ages 4 to 20 performing in the program. Most of the high school and middle school students helped out behind the scenes with dinner and the stage. We would like to congratulate everyone who helped out this year on a job well done!

We look forward to next year!

We would like to wish a  
**Very Happy Birthday to....**

March

Goutham Ballu & Riddhi Doshi  
Hope all your wishes come true!

## New Advisor

We would like to welcome our new advisor, Aesha Mehta to HYA, though she is no stranger to it. She is a college graduate but when she was in high school she was actively involved in HYA. She has great ideas and extensive experience with larger Hindu organizations. **We can't wait to work with her!** We would like to thank Pratix Uncle for being our advisor for the first part of this

## Life Lesson #4-

In the days when an ice cream sundae cost much less, a 10-year-old boy entered a coffee shop and sat at a table. A waitress came to him.

"How much is an ice cream sundae?" he asked.

"Fifty cents," replied the waitress. The boy pulled his coins out his pocket and studied them.

"Well, how much is a plain dish of ice cream?" he inquired.

More people were waiting for a table & the waitress was impatient "Thirty-five cents," she brusquely replied.

The little boy counted his coins. "I'll have the plain ice cream," he said.

The waitress brought the ice cream, put the bill on the table & walked away. The boy finished the ice cream, paid the cashier and left. When the waitress came back, she began to cry as she wiped down the table. There, placed neatly beside the empty dish, were 2 nickels and 5 pennies. You see, he couldn't have the sundae, because he had to have enough left to leave her a tip.

Always remember those who serve
